J. Paediatr. Child Health (1992) **28**, 478–483

Subject Index

A

Aboriginal infants, Australian
Haemophilus influenzae infections in (Review) 354
and primary staphylococcal pneumonia 447
evaluation of methods to assess gestational age of 312
mortality rate of, at Cherbourg Aboriginal Community 64
Absorption
of Vitamin B12 after ileal resection 168
Abstracts
Australian College of Paediatrics with 7th Asian Congress of Paediatrics. Annual Scientific Meeting 73
of Paediatric Research Society of Australia. Annual Scientific Meeting A1 (**28**:2)
Accidents
and cycling 231
cost and availability of devices for prevention of 22
Acidaemia
and inborn errors of propionate metabolism (Annotation) 134
methylmalonic, immunodeficiency in 180
Acquired amegakaryocytic thrombocytopaenia 263
Acquired immune deficiency syndrome
and failure of allogeneic bone marrow transplantation to benefit HIV infection 331
Acute asthma
pre-hospital management of 321
Acute laryngo-tracheo-bronchitis
management of 223
Adenoidectomy
guidelines (Review) 136
Adolescents
aged 12 and 13, motorcycling attitudes and behaviours of 225
aged 14 and 15, motorcycling attitudes and behaviours of 387
and deliberate self-harm 404
and role in society (Oration) 418
Agenesis
of diaphragm, familial occurrence 190
partial sacral, and constipation 328
Alcohol burns
and neonates 306
Alcohol consumption, and pregnancy
Policy Statement of Australian College of Paediatrics on 219
Aluminium absorption
and antacid therapy in infancy 257
Amegakaryocytic thrombocytopaenia, acquired 263
Anatomical pathology
in genetic metabolic/neurodegenerative disorders (Annotation) 414
Antacid therapy
and aluminium absorption in infancy 257
Anterior sacral meningocele
and partial sacral agenesis with constipation 328
Anthropometry
and obesity in myelomeningocele (Letter and Reply) 270
Antibodies
thyrotrophin-blocking, in congenital hypothyroidism 50
Antineutrophil cytoplasmic antibody
use of, to monitor usual interstitial pneumonitis 267
Anxiety
and school refusal (Annotation) 411
Aortic aneurysm
Takayasu's arteritis associated with Wiskott-Aldrich syndrome 407
Apparent life threatening events
and sudden infant death syndrome 151
Asthma, acute
pre-hospital management of 321
Audiological evaluation
of VLBW infants 172
Australian College of Paediatrics
abstracts of Annual Scientific Meeting with 7th Asian Congress of Paediatrics 73B
Australasian SIDS Researchers' Conference 1991 S1 (Suppl. 1)

B

Behaviour
influence of antisocial toys on (Annotation) 351
of 14 and 15 year olds regarding motorcycling 387
of 12 and 13 year olds regarding motorcycling 225
of 13 year olds at night when cycling 231
Bereavement counselling
and SIDS, neonatal death and stillbirth (Review) 204
Birthing services
report of ministerial review on, in Victoria (Personal Viewpoint) 147
Blood transfusion
and homozygous pyruvate kinase deficiency in Hong Kong ethnic minorities 334
Body Mass Index
use of, to track relative weight of 3–13 year olds 158
Bone marrow transplant
failure of allogeneic, to benefit HIV infection 331
searches for related/unrelated donors for 379
Book reviews 71, 199, 273, 339, 468
Botulism
and sudden infant death syndrome 156
Breast feeding
inadequate management of (Letter) 197
Breath hydrogen
excretion of, in healthy premature infants 176
Breath-holding spells, cyanotic
familial predisposition to 254
Burns
alcohol, in neonates 306

C

Calcium
and pathogenesis of Duchenne muscular dystrophy 291
Candidiasis
and itraconazole therapy in VLBW neonate 323

Cardiac rhabdomyomata
in premature infant with tuberous sclerosis, tachyarrhythmia and fetal hydrops 260
Cardiac surgery
outcome of infants with birthweight ≤2000 g following 318
Cardiac tamponade
and fine silastic central venous catheter in premature infant 325
spontaneous, in premature infant (Letter) 468
Catheters, umbilical
KEMH method to secure 436
Ceftriaxone
therapy in epiglottitis 220
Central venous catheter
and cardiac tamponade in premature infant 325
Cherbourg Aboriginal Community
infant mortality rate at 64
Chest physiotherapy
in neonatal intensive care units in Australia 297
Child health services
use of by parents of normal infants in first 6 months of life 286
Childhood
injury morbidity in, Auckland NZ 438
Children
and role in society (Oration) 418
and divorce, paediatrician's role (Annotation) 1
Chinese, serum immunoglobulin concentrations in 240
preschool, parental perception of effect of non-therapeutic venepuncture on 294
Chinese children
serum immunoglobulin concentrations in 240
Chloramphenicol
monitoring use of, for *Haemophilus influenzae* meningitis 249
Chronic cough
efficacy of Ketotifen on 442
Chronic lung disease
and VLBW infants in New Zealand 301
Chronic renal failure
advances in management of (Annotation) 275
Citrobacter freundii
and septic arthritis 402
Clinical case methods
in paediatric teaching (Annotation) 131
Clostridium botulinum
and sudden infant death syndrome 156
Community child health
future of, in Australia (Letter) 70
Community paediatrics
emergence of research in (Editorial) 364
Computers
use of, to record and evaluate school screening service 366
Congenital diaphragmatic hernia
and agenesis of the diaphragm 190
Congenital dislocation of hip
screening for (Letter) 196
reply (Letter) 197
Congenital heart disease
and outcome of infants with birthweight ≤2000 g after surgery 318
Congenital hypothyroidism
and thyrotrophin-blocking antibodies 50
Constipation
and partial sacral agenesis 328
Convulsions
and familial cyanotic breath-holding spells 254
Cost analysis
of ELBW infants (Letter) 410
Cot death *see* sudden infant death syndrome
Cough, chronic
efficacy of Ketotifen on 442
Croup
management of 223
Cyanosis
breath-holding spells causing, familial occurrence 254
Cycling
and crash experiences, health beliefs and night behaviour of 13 year olds 231
Cystic fibrosis
Pseudomonas aeruginosa lung infections in (Review) 4

D

Deafness
and meningitis (Letter) 197
Deafness (Pendred syndrome)
and association with thyroid dyshormonogenesis 398
Development
of small-for-gestational-age children at preschool age 162
Developmental delay
early intervention in (Annotation) 343
Diaphragm
agenesis of, familial occurrence 190
Diaphragmatic pacing
full-time use following high cervical cord injury 244
Disabilities
service needs of children with, and their families 283
(Editorial Comment) 281
Divorce
paediatrician and children of (Annotation) 1
Donors, bone marrow
searches for 379
Down syndrome
health problems and checks in school children with 383
stenosis of pulmonary veins in 192
Drooling
role of saliva control clinic in management of 395
Drug errors, in intensive care 309
Dubowitz scoring system
assessment of gestational age of Aboriginal neonates using 312
Duchenne muscular dystrophy
pathogenesis of, and calcium 291
Duodenum
tubercular stricure of (Letter) 338

E

Early intervention
in children with developmental delay (Annotation) 343
Epidemiology
of acute epiglottitis in Western Australia 459
of *Haemophilus influenzae* infections in Australian Aboriginal children (Review) 354
of non-intentional injuries in Australian urban region 27

Epiglottitis
and ceftriaxone therapy 220
epidemiology of acute, in Western Australia 459
which antibiotic for (Editorial Comment) 217
which antibiotic for (Letters and Replies) 467, 468
Epilepsy, progressive myoclonus
and Lafora disease 455
Extracorporeal membrane oxygenation (ECMO) in newborn infants
(Editorial Comment) 424
Melbourne experience 426
New South Wales experience 429
Extremely low birthweight infants (ELBW)
cost analysis of (Letter) 410

F

Familial cyanotic breath-holding spells 254
Fetal haemoglobin
and effect on accuracy of pulse oximetry in preterm infants 43
Fetal hydrops
in premature infant with tuberous sclerosis, tachyarrhythmia and cardiac rhabdomyomata 260
Fetal organ weight
calculation of, during pregnancy 236
Foreign body inhalation
and pneumothorax 67

G

Gallium lung scintiscan
use of, to monitor usual interstitial pneumonitis 267
Gastroenteritis
and rotavirus infection 54
Genetic disorders
anatomical pathology in (Annotation) 414
Gestational age
evaluation of methods to assess, of Aboriginal neonates 312
Growth
calculation of intra-uterine, during pregnancy 236
Growth hormone deficiency
and serum osteocalcin 432

H

Haemophilus influenzae
and acute epiglottitis 459
and use of ceftriaxone for epiglottitis 220
Haemophilus influenzae infections
epidemiology and prevention of, in Aboriginal children (Review) 354
Haemophilus influenzae meningitis
monitoring of chloramphenicol use for 249
Health beliefs
of 13 year olds in relation to cycling 231
Health problems
of normal infants in first 6 months of life 286
Health screening
of school children with Down syndrome 383
parental compliance following school-entry 372
High cervical cord injury
rehabilitation following 244
Hip
screening for congenital dislocation of (Letter) 196
(Reply) 197
HIV infection
failure of allogeneic bone marrow transplant to benefit 331
Homozygous pyruvate kinase deficiency and Hong Kong ethnic minorities 334
Hydrops fetalis
in premature infant with tuberous sclerosis, tachyarrhythmia and cardiac rhabdomyomata 260
Hypertension
benign intracranial (Letter and Reply) 196

I

Ileal resection
normalization of Vitamin B12 absorption following 168
Immune deficiency
and X-linked lymphoproliferative disease in one family 184
Immunization
attitude to on-the-spot 451
and risk factors for non-compliance 451
Immunodeficiency
in methylmalonic acidaemia 180
Immunoglobulins
biphasic rise of and sex influence on, in Chinese 240
Indomethacin therapy, intravenous (Letter) 198
Infancy
aluminium absorption and antacid therapy in 257
Infants
Aboriginal, and mortality rate at Cherbourg Aboriginal Community 64
and primary staphylococcal pneumonia 447
Inhalation
of foreign body and pneumothorax 67
Injuries
child morbidity caused by, in Auckland NZ 438
cost and availability of safety devices to prevent 22
epidemiology of non-intentional, in Australian urban region 27
prevention of motorcycling 225
Injury prevention programmes
and child morbidity, in Auckland NZ 438
Intelligent children
and learning difficulties, neuropsychological perspective (Annotation) 278
Intensive care unit
drug errors in 309
Australian neonatal, chest physiotherapy in 297
Intra-uterine growth
calculation of, during pregnancy using organ weight/body-weight ratios 236
Itraconazole therapy
and disseminated candidiasis in VLBW neonate 323

J

Jarcho-Levin syndrome (spondylothoracic dysplasia)
in Chinese baby 465

K

KEMH method
for securing umbilical catheters 436
Ketotifen
efficacy of, on chronic cough or wheeze 442

L

Lafora disease
and progressive myoclonus epilepsy 455
Learning difficulties
in intelligent children, neuropsychological perspective (Annotation) 278
Lung infections
Pseudomonas aeruginosa and cystic fibrosis (Review) 4

M

Maternal health services
use of, by parents of normal infants in first 6 months of life 286
Meningitis
and increase of deafness (Letter) 197
monitoring of chloramphenicol use for 249
Metabolic/neurodegenerative disorders
anatomical pathology (Annotation) 414
Metabolism
inborn errors of propionate (Annotation) 134
Methylmalonic acidaemia
and inborn errors of propionate metabolism (Annotation) 134
immunodeficiency in 180
Morbidity
child injury and, in Auckland NZ 438
Mortality rate
of infants at Cherbourg Aboriginal Community 64
of infants with birthweight ≤2000 g who undergo cardiac surgery 318
Motorcycling
attitudes and behaviours of 12 and 13 year olds towards 225
attitudes and behaviours of 14 and 15 year olds towards 387
Myelomeningocele
anthropometry and obesity in (Letter and Reply) 270
Myoclonus epilepsy, progressive
and Lafora disease 455

N

N-*myc* amplification
and association with neuroblastoma 58
Necrotizing enterocolitis
in a perinatal centre 47
Neonatal intensive care
chest physiotherapy in Australia in 297
Neonates
alcohol burns and 306
and KEMH method for securing umbilical catheters 436
and outcome following major cardiac surgery 318
bereavement counselling following death of (Review) 204
ECMO in
(Editorial comment) 424
Melbourne experience 426
New South Wales experience 429
evaluation of methods to assess gestational age of Aboriginal 312
Nephrotic child
management of (Annotation) 201
Neural tube defects
role of nutritional factors in (Review) 12
Neuroblastoma
and association with N-*myc* amplification 58
Neurodegenerative/metabolic disorders
and anatomical pathology (Annotation) 414
New Zealand
chronic lung disease in VLBW infants from 301
New Zealand Cot Death Study S17 (Suppl. 1)
Night-time fears (Annotation) 347
Non-therapeutic research
into effect of venepuncture on preschool children 294
Nutrition
and neural tube defects (Review) 12

O

Obesity
and longitudinal study tracking relative weight 158
and anthropometry in myelomeningocele (Letter and Reply) 270
Organ weight/bodyweight ratios
method for calculating, during pregnancy 236
Osteocalcin, serum 432
Oxygen saturation
monitoring of, by pulse oximetry in preterm infants 43

P

Paediatric Research Society of Australia
abstracts of Annual Scientific Meeting A1 (**28**:2)
Paediatric teaching
extending clinical case methods in (Annotation) 131
Paediatrics, contemporary
and resource allocation (Letter and Reply) 271
Parental perception
of effect of non-therapeutic venepuncture in preschool children 294
Partial sacral agenesis
and constipation, in one family 328
Pathogenesis
of Duchenne muscular dystrophy, and calcium 291
Pathology, anatomical
of genetic metabolic/neurodegenerative disorders (Annotation) 414
Pendred sydnrome
and association with thyroid dyshormonogenesis 398

Perinatal centre
necrotizing enterocolitis in 47
Perinatal monitoring
and terminology (Personal Viewpoint) 362
Pneumonia
primary staphylococcal 447
Pneumothorax
due to foreign body inhalation 67
Policy statement
of The Australian College of Paediatrics on alcohol consumption and pregnancy 219
Postnatal depression
and sudden infant death syndrome S13 (Suppl. 1)
Prehospital management
of acute asthma 321
Pregnancy
and alcohol consumption, Policy Statement of Australian College of Paediatrics on 219
growth rates of fetal organs during 236
Premature infant
alcohol burns and 306
and breath hydrogen excretion 176
and effect of fetal haemoglobin on accuracy of pulse oximetry 43
cardiac tamponade from fine silastic central venous catheter in 325
spontaneous cardiac tamponade in (Letter) 467
tachyarrhythmia, cardiac rhabdomyomata and fetal hydrops in, with tuberous sclerosis 260
Preschool children
parental perception of effect of non-therapeutic venepuncture on 294
Primary staphylococcal pneumonia 447
Progressive myoclonus epilepsy
and Lafora disease 455
Propionate metabolism
inborn errors of (Annotation) 134
Protective devices
cost and availability for prevention of childhood injuries 22
Pseudomonas aeruginosa
and lung infections in cystic fibrosis (Review) 4
Psychosocial assessment
following adolescent deliberate self-harm 404
Pulmonary veins
stenosis of, in Down syndrome 192
Pulse oximetry
and effect of fetal haemoglobin on accuracy of, in preterm infants 43
Pyruvate kinase deficiency, homozygous
and Hong Kong ethnic minorities 334

R

Recombinant human erythropoietin
and chronic renal failure (Annotation) 275
Recombinant human growth hormone
and chronic renal failure (Annotation) 275
Rehabilitation
and high cervical cord injury 244
and spinal cord injury (Review) 141
Research
emergence of, in community paediatrics (Editorial) 364
non-therapeutic, into effect of venepuncture on preschool children 294
Resource allocation
in contemporary paediatrics (Letter and Reply) 271
Respiratory symptoms
in urban and rural South Australian school children 36
Rotavirus infection
severity of, in relation to serotype, monotype and electropherotype 54

S

Sacral agenesis, partial
and constipation 328
Safety
attitudes towards, when cycling 231
devices for prevention of injuries 22
Saliva control clinic
and role in management of drooling 395
Schilling test
following ileal resection 168
School children
with Down syndrome, health problems and checks of 383
School entrant health assessments
outcomes of, in Christchurch (Letter and Reply) 69
School entry health screening
failure of, and parental compliance following 372
School refusal (Annotation) 411
School screening service
computerized recording and evaluation of 366
Self-harm
adolescent, deliberate 404
Septic arthritis
and *Citrobacter freundii* 402
Serum osteocalcin 432
Service needs
of children with disabilities and their families 283
(Editorial Comment) 281
7th Asian Congress of Paediatrics
abstracts of Annual Scientific Meeting with Australian College of Paediatrics 73
Sex influence
on immunoglobulins in Chinese 240
Skin disinfection
and burns in the neonate 306
Small-for-gestational-age children
physical and developmental status of, at preschool age 162
Social interaction
and distress and recovery from minor surgery 17
Spinal cord injury
and rehabilitation (Review) 141
Spondylothoracic dysplasia (Jarcho-Levin syndrome)
in Chinese baby 465
Staphylococcal pneumonia, primary 447
Stillbirth
and bereavement counselling (Review) 204
Sudden infant death syndrome
and apparent life threatening events 151
and characteristics of thermal environment S36 (Suppl. 1)

and *Clostridium botulinum* 156
and HomeLog S26 (Suppl. 1)
and legal and ethical issues with New Zealand Cot Death Study S17 (Suppl. 1)
and oxygen consumption in piglet during cold face/hot body exposure S33 (Suppl. 1)
and postnatal depression S13 (Suppl. 1)
and prone sleeping position S9 (Suppl. 1)
cot death (Letter and Reply) 270
epidemiological and clinicopathological approach to S21 (Suppl. 1)
modifiable and major risk factors for, in New Zealand S3 (Suppl. 1)
Proceedings of Australasian SIDS Researchers' Conference 1991 S1 (Suppl. 1)
Suicide, in adolescents 404
Support
for children with disabilities and their families 283
Surfactant replacement therapy (Review) 210
Surgery
social interaction and effect on distress and recovery from 17

T

Tachyarrhythmia
in premature infant with tuberous sclerosis, fetal hydrops and cardiac rhabdomyomata 260
Takayasu's arteritis
associated with Wiskott-Aldrich syndrome 407
Terminology
and perinatal monitoring (Personal Viewpoint) 362
Therapeutic monitoring
of chloramphenicol on *Haemophilus influenzae* meningitis 249
Thyroid dyshormonogenesis
and association with deafness (Pendred syndrome) 398
Thyrotrophin-blocking antibodies
in congenital hypothyroidism 50
Tonsillectomy
guidelines on (Review) 136
Toxicity
and aluminium absorption after antacid therapy 257
Toys, antisocial
and influence on behaviour and attitudes (Annotation) 351
Tubercular stricture, of duodenum (Letter) 338
Tuberous sclerosis
tachyarrhythmia, cardiac rhabdomyomata and fetal hydrops in premature infant with 260

U

Umbilical catheters
KEMH method to secure 436
Usual interstitial pneumonitis
use of antineutrophil cytoplasmic antibody and Ga lung scintiscan to monitor 267

V

Venepuncture
effect of non-therapeutic, on preschoolers 294
Very low birthweight infants (VLBW)
and audiological evaluation 172
and chronic lung disease, in New Zealand 301
and necrotizing enterocolitis 47
itraconazole therapy for disseminated candidiasis in 323
Victorian Neonatal Thyroid Screening Programme
association of thyroid dyshormonogenesis and deafness 398
Vitamin B12
and normalization of absorption after ileal resection 168

W

Weight
longitudinal study tracking relative 158
Wheeze
efficacy of Ketotifen on 442
Wiskott-Aldrich syndrome
and Takayasu's arteritis 407

X

X-linked lymphoproliferative disease
in one family 184
